

Postponement of The 9th All in Print China and Launch of All in Print Nanjing Tour Show

Dear Exhibitors, Visitors and Partners:

Due to the current epidemic prevention and control policies in Shanghai and China, the organizers have prudently decided that the 9th All in Print China, originally scheduled to be held from 11th to 15th October 2022 at Shanghai New International Expo Center, will be postponed to October 2023 in Shanghai. Safety, health and interests of exhibitors, visitors, partners and staff are always our priority.

Thank you all for your long-term trust, support and understanding! We sincerely apologize for the inconvenience caused by the postponement. We believe and promise All in Print 2023 will be well-organized and impressive to all parties in Autumn next year!

In addition, All in Print Nanjing Tour Show will be held from 7th to 9th December 2022, at Nanjing International Expo Center for meeting the eagerness of enterprises for technology display, product release, and trade matchmaking. Also, the tour show aims to support enterprises to solve difficulties and promote constructive development of the industry. A high-quality event will be dedicated!

Thank you and look forward to your continuous support to All in Print China!
