7th International Packaging And Printing Exhibition For Asia
Packaging and printing innovations and new technology will come under one roof at the next edition of PACK PRINT INTERNATIONAL 2019. As the leading exhibition of its kind in Southeast Asia, the exhibition continues to attract an international and diverse exhibitor and visitor base – making it the trade platform of choice to conduct successful business transactions, secure deals, and network with relevant brand names.

The exhibition for the industry, by the industry

A tripartite collaboration between Messe Düsseldorf Asia, The Thai Printing Association and The Thai Packaging Association since 2007, PACK PRINT INTERNATIONAL – driven by sectors’ leading trade fairs drupa and interpack, will reflect the latest trends in the packaging and printing markets.

Co-located with T-PLAS - International Trade Fair for the Plastics and Rubber Industries, the synergistic collaboration of the two exhibitions will serve as a one-stop platform for the industries.

Why PACK PRINT INTERNATIONAL is relevant for your business success:

- **no other industry event in the region has such great international appeal**
- **outstanding networking opportunities and potential for excellent business dealings**
- **innovations are brought into the market**
- **new business models are developed, and new partnerships are formed**
- **international magnet for visitor target groups from a wide variety of industries**

Join us, as we shape the future of the region’s packaging and printing sectors. Book your booth space today!
