PRINT & DIGITAL CONVENTION: Date set for 2023

The successful format of trade fair, congress and networking enters the next round: From 16 to 17 May 2023, the PRINT & DIGITAL CONVENTION will once again turn the Congress Center Süd in Düsseldorf into a meeting place for experts from the print and media industry as well as for decision-makers from industry, e-commerce, retail and IT.

Participants can look forward to an extensive two-day programme of lectures, innovative exhibits, hands-on best practice and plenty of opportunity to network while learning about and discussing the latest trends and opinions in the industry. The sixth edition of the congress trade fair will again focus on future-oriented content - on the potential of digital printing applications, multi-channel solutions, creative finishing and sustainable print and packaging solutions.

Exhibitor registration for the PRINT & DIGITAL CONVENTION 2023 is now open. Due to a public holiday, the usual sequence of days for the convention will be moved by one day: it will now take place from Tuesday, 16 May, to Wednesday, 17 May 2023.

The PRINT & DIGITAL CONVENTION 2022 was a great success with over 1,250 participants and 63 international exhibitors. The conference programme focused on Sustainable Media Production, Programmatic Print and Value Added Printing.

The PRINT & DIGITAL CONVENTION is organised by Fachverband Medienproduktion e.V. (f:mp.) in cooperation with Messe Düsseldorf GmbH and drupa. Further information can be found at: www.printdigitalconvention.de/en or www.drupa.com/en/drupa_global
