PRINT & DIGITAL CONVENTION
China International Exhibition for All Printing Technology and Equipment

Initiated in 2003, All in Print China has now become one of the most influential exhibitions in China’s printing industry and even in the whole of Asia.

It is held every two years in Shanghai and has been designed as a “market-oriented, professional, international and brand-focused” exhibition. Serving as a platform for communication ideas and demonstrating new developments, All in Print China contributes greatly to the progress and the future of Asia’s printing industry and is expected to be one of the most attractive and powerful events in the printing industry of the world.

PRINT&DIGITAL CONVENTION
International Packaging and Printing Exhibition for Asia

Held biennially since 2007, Pack Print International is an exhibition presenting the entire value chain from ideation to creation, bringing to the forefront the full spectrum of the printing and packaging sectors. This 4-day exhibition zooms into areas such as corrugated printing and packaging, labelling, digital printing, printed electronics and flexible packaging.

With a dynamic line-up keenly aligned to current and upcoming industry developments, Pack Print International presents a unique draw as a one-stop platform to the latest packaging and printing innovations, critical trade insights and network opportunities with the best in the industries for the whole of Southeast Asia.

PRINT&DIGITAL CONVENTION
generate new business

The leading expo for packaging, printing and plastics
Pack Print Plas Philippines is the only trade event series in the country which features the inter-related industries of packaging, plastics, printing and office supplies in one venue; thus providing a wider source of network to its exhibitors and a comprehensive industry showcase to its visitors.

Since 2019 with Messe Düsseldorf Asia, Pack Print Plas Philippines will be bringing a bigger, better and new take on the already established packaging, printing and plastics trade show. Global-Link MP and Messe Düsseldorf Asia are set to widen the reach of Pack Print Plas Philippines to not only the neighboring ASEAN countries but also to as far as Europe and the USA.

Organizers:
Global-Link MP
Messe Düsseldorf Asia

Supporter:
Packaging Institute of the Philippines
Philippine Center for Print Excellence Foundation Inc.
Philippine Plastics Industry Association
Philippine Printing Technical Foundation Inc.
