

# PackPrintPlas Philippines is Postponed to October 2022

Messe Düsseldorf Asia (MDA) and joint organisers Global-Link MP Events International Inc. (GLMP) have announced the move of PackPrintPlas Philippines in Manila, to October 2022.

The event which is scheduled on October 7-9, 2021 will now be moved to October 6-8, 2022 at the SMX Convention Center Manila while its virtual version is scheduled on October 6-12, 2022.

This decision was made in light of the current COVID-19 situation brought about by the spread of the delta variant, coupled with restrictions to staging of large scale events. Though a difficult but necessary resolution, the health and safety of all stakeholders takes priority.

The PackPrintPlas Philippines team would like to extend our appreciation to all industry partners, exhibitors and visitors for their continued support as we adapt to shifting conditions together, and will reach out to all exhibitors and partners regarding event logistics and planning.

Participants may also contact [manila@mda.com.sg](mailto:manila@mda.com.sg) for immediate assistance.
