Matchmaking for exhibitors

Matchmaking

- Intelligent algorithm makes contact suggestions based on your interests and product focus
- Interact via chat and virtual meeting rooms*
- Efficient trade fair participation via meeting scheduling and networking even before the trade fair starts

* In order to use the function of the virtual meeting rooms within the matchmaking tool, it is for technical reasons required to use the service of the video meeting provider Whereby. The privacy policy of Whereby is available at <https://whereby.com/information/privacy-policy/>. If you are an exhibitor representative using the matchmaking service and are also listed as a contact person in our exhibitor and product database, you will be identified there as a matchmaking participant. Within the scope of using said service for the processing of personal data carried out within the legitimate interest of the controller we refer to Article 6 Sec. 1 lit. f. of the European General Data Protection Regulation (Regulation (EU) 2016/679, GDPR).

Main functionalities within Matchmaking

Matching

- Based on interest and product focus, contact recommendations are made - which can be marked with a like or dislike
 - System learns by interaction and makes personalized contact suggestions
- Therefore, the more the tool is used, the more it pays off!

Chat

- Matches can chat with each other and hold instant video meetings when both parties are online
- 1:1 interaction of trade fair participants becomes easier, faster and takes place on time

Main functionalities within Matchmaking

New: Virtual meeting rooms

- participants can choose between virtual meetings 24/7 or physical meetings at your booth by previously agreed dates during trade fair time*
- Chat & share screen functionality included
- *Notice*: manage your availability for efficient appointment planning within your personal meeting agenda

The screenshot displays a user profile for Moritz Wedel, an exhibitor representative from Messe Düsseldorf GmbH. The profile includes options for 'Persönlich' (Personal) and 'Virtuell' (Virtual) meetings, a 'Chatten' (Chat) button, and contact status indicators. Below the profile, there are sections for 'Details' (Gesuchte Produktgruppen: Caravans / Anhänger) and 'Ausstellervertreter' (Messe Düsseldorf GmbH, CARAVAN SALON Düsseldorf - Leidenschaft die Verbindet). At the bottom of the profile are buttons for 'Interessiert' (Interested) and 'Überspringen' (Skip), along with a 'Mehr anzeigen' (Show more) link.

On the right, a 'Termin vereinbaren' (Schedule meeting) form is shown for Moritz Wedel. The form includes fields for 'Teilnehmer' (Participant), 'Datum' (Date: Friday 27/08/2021), 'Uhrzeit' (Time: 10:30 - 11:00 (Europe/Berlin)), and 'Standort' (Location: Hall 01; B20 (Messe Düsseldorf GmbH Sen)). A 'Kommentar' (Comment) field is also present, with a note to add a short comment. At the bottom of the form are 'Abbrechen' (Cancel) and 'Senden' (Send) buttons.

* *Every user can be asked for an appointment, without having a match. Notice: Each user can only send a certain contingent of pending meeting requests.*

Main functionalities within Matchmaking

New: teams

- Manage availability of your team members
- Edit company profile
- Export generated leads:
- **Export your team member contacts:** *This will generate a file with the details of your teams' contacts from the event. You can choose between CSV and Excel format. Contacts are all Meetings and Connections on the event platform. Please note: Due to GDPR email and/or phone numbers will be shared only for the users who decided to share their contact details in public.*
- **Export your teams meeting data:** *This will generate a CSV file of all the meetings that your team has accepted; This means, that for meetings scheduled through the networking experience the email and Phone numbers will not be included in the CSV file.*

Main functionalities within Matchmaking

New: teams

- Create a meeting for yourself or a team member with another trade fair guest.
- Event attendees can send messages directly to your company through its profile page. Any team member can reply to these messages as the company.
- The contacts section features profiles of people that have connected or scheduled a meeting with any of the team members of your company.
- View Inbounds: features profiles of people that have shown interest, connected or interacted with you, your team members and/or company profile.

Matchmaking App

Matchmaking is also available as app

- Can only be used after successful registration via Messe Düsseldorf website
- Teams functionality is not available in the matchmaking app
- Chat Video function is not available in matchmaking app

Fill in your personal profile very detailed

- the more comprehensive and informative your profile is, the more likely you are to be found by possible matching users.

Use the networking section to get personalized recommendations

- Interact with the tool; only via your interaction you will receive even more suitable contact suggestions.

Invite as many colleagues as possible to Matchmaking (and therefore to your team)

- you will achieve a strong presence of your company in matchmaking - It is your digital business card.

Use your exhibitor profile to show your matchmaking activity

- The colleagues who has activated their account in matchmaking, will be shown there with the icon (connecting hands) automatically. This is a direct link for registered visitors to match with this contact.
